

MUN – MODERN UNITED NATIONS

Jaffery Academy MUN delegates were busy working with fellow delegates from six schools in this region to identify and propose possible solutions to pressing challenges that the world is facing today. This Conference was at Oshwal Academy, Mombasa. The four-day conference (24th -27th October) brought together over 300 delegates at both the junior (MSMUN) and the senior (EAMUN) levels.

Jaffery Academy participated in all the forums. It had delegates in the General Assembly, the Security Council, the Global Summit and the ICJ. Our delegates' participation was outstanding and demonstrated a unique ability and mastery of complex international issues. They dominated and set the pace for the conference at all levels. Our very own Faizaan Firoz was honoured with the opportunity to chair Global Summit sessions in which Aasim Aslam and Zosi Wa-Mwachai led other delegates in debating the most pressing global issues at the level of presidents and prime ministers. The two were recognized for their outstanding performance.

In the General Assembly Hall, the JA delegates did not disappoint. They led very lively debates and ensured that the other delegates were always on their toes. The Assembly is divided into four committees: Economic, Political, Human Rights & Ecology. In the Economic committee, Angola's resolution was voted the best resolution. The Ambassador was Imran Karim. In the Ecology committee, the best resolution was that of Vanuatu under the Ambassadorship of Sahil Chavda. The other five schools had to share the two remaining slots.

In the case between India and Pakistan, Pakistan (under the leadership of Muzzamil Jaffry) won.

To crown it all, Muhaimina Janmohamed was voted the best performing delegate in the 2018! Bravo team| Jaffery.
