12th January 2012

Dear Parents,

I hope you all had a fantastic December vacation. It is wonderful to see our children back at Nursery. The children had so much to tell us about their December vacation; it was such a delight to hear them! It's amazing how their vocabulary has flourished and their confidence has improved in carrying out a conversation.

I would like to take this opportunity to thank my team for their dedication they put into their work to make learning fun and exciting for our children. For this term, we will start with the 2012 theme RESPECT YOURSELF TO RESPECT OTHERS. Everyone in the Nursery will be learning how we can all adopt good habits.

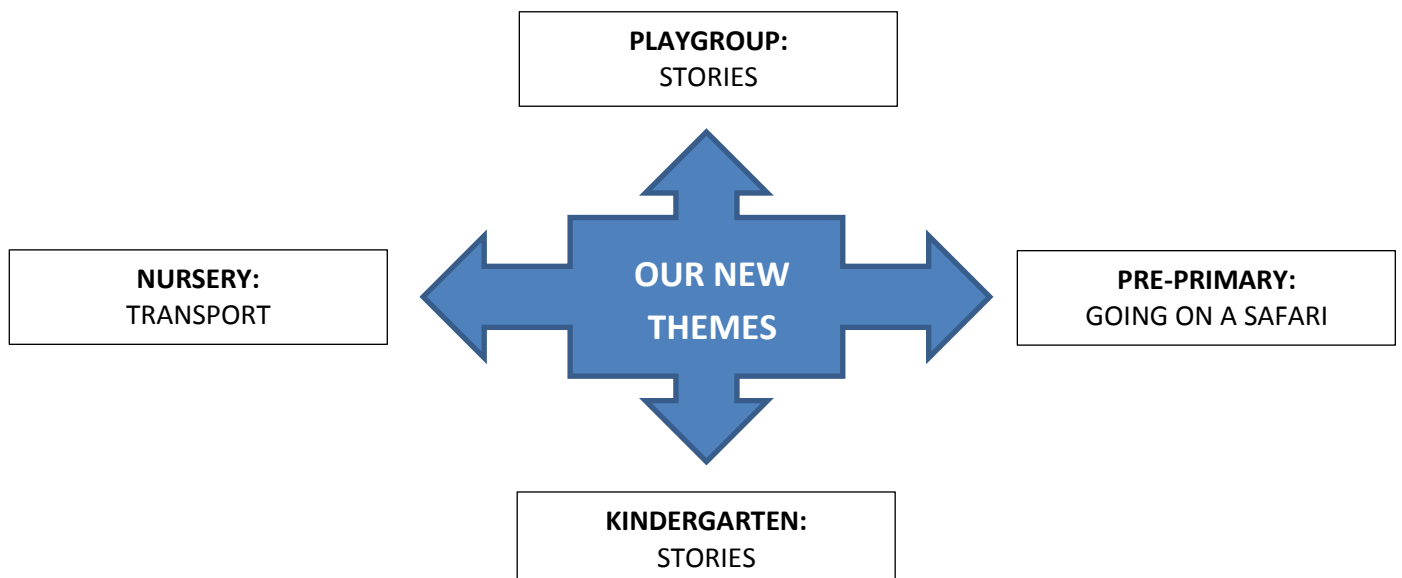

I would like to inform the parents that we are pleased to open a new Playgroup 4 class due to a lot of new little babies who would like to join us on board Jaffery Nursery!!

PARENTAL INVOLVEMENT

We welcome your ideas for art & craft; and for our cooking club, any mum's interested to be a guest and host the cooking club, please contact Mrs. Tajbhai of Playgroup 3.

This term we would like to introduce a special award to a student with the best reading along with his or her understanding abilities. In addition, we would like to award reading performance certificates to a mum and child in the K.G. and Pre-primary Stream. For our Playgroup and Nursery Streams, an outstanding award will be given to the mum and child who will perform the best picture reading and re-telling of the library storybook!
